Heuristics

draft- ietf- ipsecme- esp- null- heuristics- 01.txt

T. Kivinen kivinen@iki.fi
D. McDonald danmcd@sun.com

Status

- Should be ready for publication
  - New version 2009-09-03
    - Added applicability statement
    - Added comment about ports and IPsec flows
    - Added comment about IV
    - Added comment about minimal padding
    - Removed XXX from SCTP checks
    - Added comment about other tunneling methods to security consideration section
    - Added some more comments to pseudocode
- Would be useful to get some more reviews
